#### WHAT IS AN ELIGIBLE TIRE

Congratulations! You have just purchased quality tires from a BRIDGESTONE, FIRESTONE, or ASSOCIATED BRANDS dealer (referred to in this section of the manual as DEALER). This Limited Warranty covers new BRIDGESTONE, FIRESTONE, FUZION, and PRIMEWELL brand passenger and light truck tires. Note that SUREDRIVE and LEMANS Brand limited warranty details are published in separate limited warranty manuals and are not included in this manual.

This Limited Warranty only applies to the original purchaser, and is valid if all of the following apply:

- The tire was purchased and primarily used in the US after December 31, 2021.
- The tire is a size and speed rating equivalent to or greater than that specified by the vehicle manufacturer (exception: coverage applies to properly repaired tires which may have voided the tire's speed rating).
- The tire has been used only on the passenger or light truck vehicle on which it was originally installed.
- The tire has not been used in commercial service (exception: certain coverage applies to Bridgestone Duravis and Firestone Transforce tires if used in commercial service).
- Some retail locations (wholesale clubs, on-line purchases, and the like) may not service your warranty unless you hold a current membership and/or have purchased your tires at their location. Check with your retailer to see if they have specific warranty processing requirements.
- The tire is less than 10 (ten) years from the date of tire manufacture.
- The tire must be classified as a passenger and/or light truck tire. Tires classified as "commercial" tires (truck or bus) are not covered through this Limited Warranty and are addressed in the appropriate limited warranty manual for commercial tires. Commercial tires are any tire with the following rim sizes: 17.5 inch, 19.5 inch, 22.5 inch or 24.5 inch.

#### WHAT IS WARRANTED and FOR HOW LONG

An eligible tire that becomes unusable for any reason within the manufacturer's control will be replaced with an equivalent new Bridgestone, Firestone or Associated Brands tire on the basis set forth in this Limited Warranty. Each tire brand has specific warranty coverage and certain conditions that apply; for details, see "Each Brand's Limited Warranty Coverage."

The appropriate taxes, mounting, balancing, disposal fees, and other service charges may be added to the replacement price.
- **Rapid tread wear or wear-out** is not covered under the Bridgestone Platinum Pact, Firestone Gold Pledge, or basic Limited Warranty. See the Limited Mileage Warranty section of this manual.

The appropriate taxes, mounting, balancing, disposal fees, and other service charges may be added to the replacement price.
- **Rapid tread wear or wear-out.** Winter and “temporary use” spare tires have no mileage warranty.

The appropriate taxes, mounting, balancing, disposal fees, and other service charges may be added to the replacement price.

- **Rapid tread wear or wear-out** is not covered under the Bridgestone Platinum Pact, Firestone Gold Pledge, or Basic Limited Warranty. See the Limited Mileage Warranty section of this manual.

### **Winter and “Temporary Use” Spare Tires**

The Fuzion Brand Limited Warranty will be as follows:

- **Free replacement during the first 50% of the tread life of the tire** if it becomes unusable for any reason within the manufacturer’s control up to 3 years from date of purchase (proof of purchase date required). The free replacement will be with an equivalent new Fuzion brand tire. If a Fuzion brand tire is unavailable, any equivalent (or better) Bridgestone / Firestone or associated brand tire may be substituted at Bridgestone’s discretion. The appropriate taxes, mounting, balancing, disposal fees, and other service charges may still apply.
- **After the free replacement period** noted above (or if the tire is past the first 50% of tread life), if the tire becomes unusable for any reason within the manufacturer’s control within 5 years from the date of tire purchase (proof of purchase date required) or 6 years from the date of manufacture (without proof of purchase date), the tire will be replaced with an equivalent new Fuzion brand tire for a prorated purchase price. If a Fuzion brand tire is unavailable, any equivalent (or better) Bridgestone / Firestone or associated brand tire may be substituted at Bridgestone’s discretion. To determine the replacement price, the percent worn, based on used tread wear, is multiplied by DEALER’S current selling price for the replacement tire(s). The appropriate taxes, mounting, balancing, disposal fees, and other service charges may be added to the replacement price.
- **The tire must not be worn to 2/32 inch (1.6mm)** or less of the remaining original tread depth (i.e. worn down to the

top of the built-in indicators in the tread grooves) for this Fuzion Brand Limited Warranty to apply.

- **Exclusions apply**—as identified in the section “What This Limited Warranty Does Not Cover.”

### **PRIMEWELL BRAND LIMITED WARRANTY**

An eligible tire covered by the Primewell Brand Limited Warranty will be replaced with an equivalent new Primewell brand tire for a prorated purchase price if it becomes unusable for any reason within the manufacturer’s control under the following conditions (If a Primewell brand tire is unavailable, any equivalent (or better) Bridgestone / Firestone or associated brand tire may be substituted at Bridgestone’s discretion.):

- **There is no free replacement period.**
- **Coverage** extends up to 4 years from the date of purchase (proof of purchase date required). Without proof of purchase date, then 5 years from the date of tire manufacture. During this period, the tire will be replaced charging a prorated amount. To determine the replacement price, the percent worn, based on used tread wear, is multiplied by DEALER’S current selling price for the replacement tire(s). The appropriate taxes, mounting, balancing, disposal fees, and other service charges may be added to the replacement price.
- **The tire must not be worn to 2/32 inch (1.6 mm)** or less remaining original tread depth (i.e. worn down to the top of the built-in indicators in the tread grooves).
- **Exclusions apply**—as identified in the section “What This Limited Warranty Does Not Cover.”
- **ONLY** tires with a manufacturing date prior to 01/01/2022 (DOT date code 0122) will be honored under this limited warranty.

### **LIMITED MILEAGE WARRANTY**

If an eligible tire covered by the Limited Mileage Warranty wears evenly across the tread down to the tread wear indicators—2/32 inch (1.6 mm)—during its stated warranted mileage (as evidenced by the vehicle’s odometer), the tire will be replaced with an equivalent new Bridgestone, Firestone or Associated Brands tire under the following conditions for a prorated purchase price:

- **There is no free replacement period.**
- Only the passenger and light truck tires listed in this section are covered by the Limited Mileage Warranty for the mileage shown.
- Coverage applies only to the original purchaser, and only as long as the tires remain mounted on the vehicle described in the Customer, Vehicle, and Tire Identification Section of this manual.

- Coverage extends up to 5 years from the date of purchase (4 years for Primewell)—proof of purchase date required. During this period, the tire will be replaced for a prorated amount. Without proof of purchase date, then 6 years from the date of tire manufacture (5 years for Primewell).
- To determine the replacement price, the percent of warranted mileage, based on used tread wear, is multiplied by DEALER'S current selling price for the replacement tire(s). The appropriate taxes, mounting, balancing, disposal fees, and other service charges may be added to the replacement price.
- Tires used in commercial service have no mileage warranty.
- **Original equipment tires on new vehicles have no mileage warranty. (See separate warranty, if applicable, in your vehicle's glove box.) Tires sold as exact original equipment replacements may have a mileage warranty. See the Limited Mileage Warranty section of this manual for details.**
- Tires installed on one (1), two (2), or three (3) wheel vehicles have no mileage warranty.
- Exclusions apply—as identified in the section “What This Limited Warranty Does Not Cover.”
- Even tread wear is defined as having no more than 1/32 (0.8 mm) difference in remaining tread depth between any two major tread grooves across the tire.
- For tires used on staggered fitments (vehicles with different size tires between the front and rear); the front tires will have the full limited mileage warranty (if available) and the rear tires will have one-half of the stated limited mileage warranty (if available).
- Tires with more than 4/32 inch (3.2 mm) remaining tread depth will not be accepted for Limited Mileage Warranty.

## CALCULATING THE PERCENT OF WARRANTED MILEAGE

### *Tires with 2/32 inch (1.6 mm) remaining tread depth:*

A tire worn to 2/32 inch (1.6 mm) will use the following procedure to calculate the percent of warranted mileage:

1. **Calculate Total Miles.** Total Miles = Odometer indicated mileage at time of removal – Odometer indicated Mileage when tires installed.
2. **Calculate Percentage Warranted Miles.** Percentage Warranted Miles = Total Miles/Warranted Miles (from tables in this manual).
3. **Calculate Replacement Price.** Replacement Price = Percentage Warranted Miles x DEALER'S current sell price. NOTE: This represents the price the DEALER will charge to replace the tire (The appropriate taxes, mounting, balancing, disposal fees, and other service charges may be added to the replacement price).

Example: Odometer indicated mileage at time of removal = 130,000 miles. Odometer indicated mileage when tires installed = 85,000 miles. DEALER sells the tire for \$100. Tires installed are Bridgestone Ecopia 422.

1. Total Miles = 130,000 Miles – 85,000 Miles = 45,000 Miles
2. Percentage Warranted Miles = 45,000 Miles / 65,000 Miles = 0.69 or 69%.
3. Replacement Price = \$100 x 0.69 = \$69.

### *Tires with 3/32 inch (2.4 mm) remaining tread depth:*

A tire worn to 3/32 inch (2.4 mm) will use the following procedure to calculate the percent of warranted mileage:

1. **Calculate Total Miles.** Total Miles = Odometer indicated mileage at time of removal – Odometer indicated mileage when tires installed.
2. **Calculate Miles per 32nd.** Miles per 32nd = Total Miles / (Original Tread Depth – Remaining Tread Depth).
3. **Calculate Projected Mileage.** Projected Mileage = Total Miles + Miles per 32nd.
4. **Calculate Percentage Warranted Miles.** Percentage Warranted Miles = Projected Miles / Warranted Miles (from tables in this manual).
5. **Calculate Replacement Price.** Replacement Price = Percentage Warranted Miles x DEALER'S current sell price. NOTE: This represents the price the DEALER will charge to replace the tire (The appropriate taxes, mounting, balancing, disposal fees, and other service charges may be added to the replacement price).

Example: Odometer indicated mileage at time of removal = 130,000 miles. Odometer indicated mileage when tires installed = 85,000 miles. DEALER sells tire for \$100. Tires installed are Bridgestone Ecopia 422.

1. Total Miles = 130,000 miles – 85,000 miles = 45,000 miles
2. Miles per 32nd = 45,000 Miles / (10/32-3/32) = 6,429 Miles.
3. Projected Miles = 45,000 Miles + 6,429 Miles = 51,429 Miles.
4. Percentage Warranted Miles = 51,429 Miles / 65,000 Miles = 0.79 or 79%.
5. Replacement Price = \$100 x 0.79 = \$79.

### *Tires with 4/32 inch (3.2 mm) remaining tread depth:*

A tire worn to 4/32 inch (3.2 mm) will use the following procedure to calculate the percent of warranted mileage:

1. **Calculate Total Miles.** Total Miles = Odometer indicated mileage at time of removal – Odometer indicated mileage when tires installed.
2. **Calculate Miles per 32nd.** Miles per 32nd = Total Miles / (Original Tread Depth – Remaining Tread Depth).

- Calculate Projected Mileage.** Projected Mileage = Total Miles + (2 x Miles per 32nd).
- Calculate Percentage Warranted Miles.** Percentage Warranted Miles = Projected Miles / Warranted Miles (from tables in this manual).
- Calculate Replacement Price.** Replacement Price = Percentage Warranted Miles x DEALER'S current sell price. NOTE: This represents the price the DEALER will charge to replace the tire (The appropriate taxes, mounting, balancing, disposal fees, and other service charges may be added to the replacement price).

Example: Odometer indicated mileage at time of removal = 130,000 miles. Odometer indicated mileage when tires installed = 85,000 miles. DEALER sells tire for \$100. Tires installed are Bridgestone Ecopia 422.

- Total Miles = 130,000 miles – 85,000 miles = 45,000 miles
- Miles per 32nd = 45,000 Miles / (10/32-4/32) = 7,500 Miles.
- Projected Miles = 45,000 Miles + (2 x 7,500 Miles) = 60,000 Miles.
- Percentage Warranted Miles = 60,000 Miles / 65,000 Miles = 0.92 or 92%.
- Replacement Price = \$100 x 0.92 = \$92.

## REPLACEMENT WARRANTY FOR ALL BRANDS

If you receive a replacement tire under this Limited Warranty, it will be covered by the manufacturer's warranty or warranties, if any, given on that tire at that time.

## WHERE TO GO

Tire adjustments under this Limited Warranty will only be made at an authorized Bridgestone or Firestone retailer. Consult a phone directory (often listed in the Yellow Pages under "Tire Dealers") or the internet at [www.bridgestonetire.com](http://www.bridgestonetire.com) for the location nearest you. Some retail locations (wholesale clubs, on-line purchases, and the like) may not service your warranty unless you hold a current membership and/or have purchased your tires at their location. Check with your retailer to see if they have specific warranty processing requirements.

## CONSUMER RIGHTS

This Limited Warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

## TIRE REGISTRATION

Bridgestone encourages you to ensure your tires are registered to receive direct notification in the event of a safety related recall. You should have received a tire registration postcard with your tire purchase. Please send in the completed postcard or visit [www.bridgestonetire.com](http://www.bridgestonetire.com) to register your tires.

## CONDITIONS and EXCLUSIONS

To the extent permitted by law, Bridgestone Americas Tire Operations, LLC (Bridgestone) disclaims all other warranties, including but not limited to the implied warranties of merchantability and fitness for a particular purpose and any liability for incidental and consequential damages, loss of time, loss of vehicle use, or inconvenience. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

This Limited Warranty applies only to consumers using the tire in the United States. For warranty conditions outside the United States, see your local Bridgestone or Firestone distributor.

Obligations under this policy may not be enlarged or altered by anyone.

In accordance with Federal Law, this Limited Warranty has been designated as a "Limited Warranty." Nothing in this Limited Warranty is intended to be a representation that tire failures cannot occur. This Limited Warranty is given by Bridgestone, 200 4th Avenue South, Nashville, TN 37201.

## OWNER'S OBLIGATIONS

In order to keep this Limited Warranty valid, we require you to have your tires regularly inspected and rotated per the recommendations outlined in the sections of the accompanying tire maintenance and safety manual entitled "Tire Damage, Inspection and Service Life" and "Radial Tire Rotation" and to furnish proof of same in order to receive an adjustment. Such proof should show the date, mileage, and servicing location. A sales receipt containing this information will suffice. In addition, a "Maintenance Record" is included in this manual.

Tires must be operated at the proper tire inflation pressures as specified by the vehicle manufacturer and within tire/vehicle load capacity and speed limitations. It is also your obligation to maintain proper wheel alignment and tire/wheel assembly balance.

To request an adjustment, you must present the tire to an authorized Bridgestone or Firestone retailer. Complete and sign the customer section of the Bridgestone Limited Warranty adjustment form and pay appropriate replacement price, taxes, disposal fee, and service charges, if any. Some retail locations (wholesale clubs, on-line purchases, and the like) may not service your warranty unless you hold a current membership and/or have purchased your tires at their location. Check with your retailer to see if they have specific warranty processing requirements.

## ARBITRATION

For purposes of this arbitration section: (a) the terms "we," "us" and "our" refer to Bridgestone Americas Tire Operations, LLC, its parents, subsidiaries, affiliates, predecessors, successors, assigns, employees, officers, agents and directors; and (b) a "Claim" is any pre-existing, present, or future claim, dispute, or controversy between you and us arising out of or in connection with this Limited Warranty, or any other warranties, express or implied, including a failure of warranty and the validity of this arbitration clause, but excluding claims for personal injury or damage to property other than the warranted tire(s). You and we acknowledge that either you or we can choose to have any Claim resolved by binding arbitration. **If either you or we choose arbitration with respect to any Claim, neither you nor we will have, and each of us waives, the right to litigate that claim in court or to have a jury trial on that claim,** or to engage in pre-arbitration discovery, except as provided for in the arbitration rules of the American Arbitration Association ("AAA"). In addition, you will not have the right to participate as a representative or member of any class of claimants related to any claim subject to arbitration. An arbitration can only decide our or your Claim and may not consolidate or join the claims of other persons who may have similar claims. **There shall be no authority for any Claims to be arbitrated on a class action basis.** The arbitrator's decision will be final and binding.

Any arbitration will be conducted in accordance with the AAA's rules applicable to consumer disputes. For additional information go to: <http://www.adr.org/>. Any arbitration hearing that you attend will take place in the federal judicial district where you reside. At your request, we will advance the first \$250 of the filing and hearing fees for any Claim you may file against us; the arbitrator will decide whether we or you will ultimately pay those fees. This arbitration agreement is made pursuant to a transaction involving interstate commerce and shall be governed by the Federal Arbitration Act, 9 U.S.C. Sections 1-16. The arbitrator shall apply applicable substantive law consistent with the Federal Arbitration Act and applicable statutes of limitations, and shall honor claims of privilege recognized at law. Judgment upon the award may be entered in any court of law of competent jurisdiction.

If this arbitration section (or any part of it) is determined invalid or illegal under any applicable statute or rule of law, it will be deemed omitted without affecting any other provisions of this Agreement, which shall remain in full force and effect.
